

2018 Petition for Automatic Voter Registration in Wisconsin

By signing this petition, I certify my support for establishing a system of Automatic Voter Registration in Wisconsin. I call upon elected representatives in the Wisconsin State Assembly and State Senate to support Automatic Voter Registration in the ways and means available to them as a public official including, but not limited to, sponsoring or cosponsoring bills, voting in favor or such bills in committee, subcommittee, floor or other votes, working to build bipartisan support, and publicly advocating for the necessity of Automatic Voter Registration.
